## Prayer and Praise:

- **Praise**— Eric Norman LeCureux was born on November 1. Praise the Lord for the beautiful addition to our family.
- **Praise**— Debby is feeling much better after having a difficult pregnancy. She was very sick for two weeks after Eric was born.
- **Praise**— For the short term workers that have come and others that are coming to help out in our ministry here. This relieves some of the work load that we have from being short on full-time staff.
- **Furlough 2005** - We will be planning for our furlough which will start in July or August. Pray for the preparations that we need to make.
- Kevin is in the initial planning stages for college which begins fall of 2005. He has been accepted at Kettering University in Flint, Michigan. Almost half of the tuition is already taken care of. Pray that he will find the rest of his tuition through scholarships that he is applying for.

Dear Friends,

**“Children are an heritage of the LORD: and the fruit of the womb is his reward” Psalm 127:3**

In this season of giving, we have received another gift from the Lord - **Eric Norman LeCureux**. He was born November 1, 1:46 pm, at Guam Memorial Hospital. He was 20 inches long and weighed 9 pounds 13 ounces. Debby had a difficult pregnancy and recovery. Thank you to each one who prayed for us during this time.

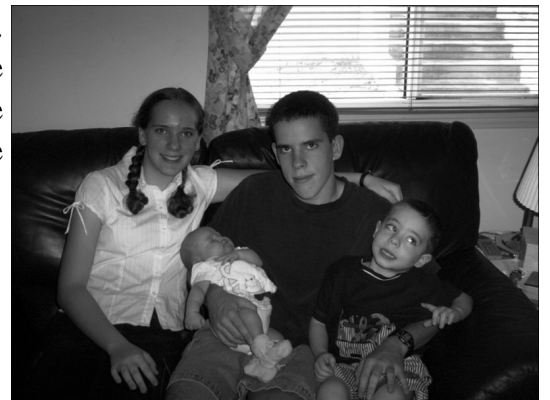

Greg is really proud of his baby brother. He is very gentle with him and wants to hold Eric as often as he can. Kevin and Laura have been a tremendous blessing as they have handled a lot of the work at home. Laura recently completed drivers training and has her permit to drive. Kevin has been accepted at Kettering University for next year.

We trust that you will experience a wonderful Christmas season as you celebrate all the gifts that God has so freely given to each one of His children. Please continue to pray for us and the ministry of Trans World Radio as we reach out to people in Asia with the Gospel of Christ.

In Christ,

Jeff, Debby, Kevin, Laura, Greg and Eric  
LeCureux

(P.S. More on other side.)

Our ministry is about reaching the unreached with the Gospel of Christ. I trust you will be encouraged by these listener letters that continue to pour into the follow-up departments of our region.

**From Myanmar—Listener of the “Thru the Bible” program**

*“.....I prefer the Thru The Bible program. It makes me feel like I’m attending the Bible College....I love to study the Bible and as I am not going to sit for the matriculation examination this year, there is more spare time. Only now I have gained more interest on the Old Testament. In the past, I was lazy not only to read the Bible but also to pray...I like you to know that my spirituality and mental power are changed since I started to listen to your broadcasting. I do pray for you and other listeners.”*

*“After listening to your program about God’s grace I realized how great His grace for me is. As God’s child I want to thank Him for His gift. Please pray for my husband who does not have a permanent job, and for my mother who does not believe in Christ. I pray that God will give me strength because I have to work for my family.”*

**From Vietnam**

*“On behalf of all house churches in Quang Nam Da Nang (23 churches), I would like to greet all the Lord’s servants of Trans World Radio. We thank our Lord and the station for transmitting many useful programs. Before we had five Christian workers, now we have 38. Most of us have learned to grow through your programs. I also learn through this radio station then I convey what I learn about God’s words to others. The results we have obtained are as follows: 23 churches, 38 Lord’s servants, 878 Christians, 233 families, 1334 people from the community, and 37 from the XEdang ethnic group. All of our people serve the Lord with their genuine evangelistic concerns. They serve the Lord and are grateful to the Divine God despite their physical hardships. Please pray for us. If it is convenient please send us some lessons for women. Thank you, in the name of the Lord Jesus, Pastor ...”*

*“I am greeting all of you in the Lord's grace. I am an assistant Pastor of .....Church. Your program helps me to prepare my sermon. Thank you for sending me TTB outlines. Your outlines are easy to read and to follow on the airtime. I know many of my neighbors have heard your programs. I would like you to mail me your outline that you broadcasted today. Here your programs are very popular.”*
